November 2026

Portfolio Manager & Experience

Mr. Ankit Tikmany

Principal Officer & Chief Investment Officer
18+ years of experience across equity markets, asset management, and wealth management.
Managing this portfolio since inception i.e. 15 May 2026

Investment Objective

The objective of the scheme is to generate long term capital appreciation with modest risk, by investing in equities and create value to the portfolio backed by strong earnings momentum in portfolio companies.

Description of Types of Securities

Portfolio would be primarily invested in listed equities and opportunistically also in money market instruments, units of mutual funds, ETFs or other permissible securities in accordance with the Applicable Laws.

Key Facts

Strategy	Equity
